

# East View High School Patriot Baseball 2015

Support Patriot Baseball by promoting Your Business

The Patriot Baseball Team asks for your support through advertising in our Media Guide, Purchasing a Field Sign, and/or making a tax deductible donation to our program. Your Community Support is critical for developing our program.

Many people don't realize that East View High School is comprised of 46.3% economically disadvantaged students. That's why we need our strong business community's support.

Every dollar donated is invested into our program and our youth. Our Goal is to build character in our players through community service, and build a tradition of Patriot Pride through a successful Baseball Program. We are grateful for your consideration, financial contribution and for your support of the youth at EVHS and the great sport of baseball.
