  - Sponsorship Update – Kris Cutler reported....

    - Please call all businesses that you do business with to try to sell the ads/sponsorship packages.
    - The signs won't be ordered until January, so you still have time.
    - Confirmations have been received from Georgetown Diesel, Wildfire, Full House BBQ, Wag-a-bag, Mac Haik, and Schlotzsky's.
    - Player ads can be purchased for the media guide. Keep in mind if you sell a sponsorship package you receive 50% off on player add.
    - Community Impact contacted Kris about trading ad space for services. It was decided to decline their offer due to not being cost effective for us.

  - Community Service – Steve Cantu reported.....
    - This year the players will again be doing the Toy Drive for the Georgetown Boys and Girls Club. The players can get community service credit hours for this. Last year some of the players also attended the party of the Boys and Girls Club and help had out the toys to the participants. We will begin collecting toys on November 18<sup>th</sup>. Will deliver the toys sometime between December 14 – 17. Charles has created a flyer for the toy drive. We will ask Mrs. Hunt to include in the announcements. Charles will send out an email to the distribution list.
  - Background Checks –
    - Everyone needs to complete the background check process on a yearly basis in order to volunteer for the baseball program. If you have completed this process for other organizations are the school then you don't need to repeat it. The check is district wide and covers all schools and functions. Please get this taken care of if you have not.
