

Advertise your business at East View High School Patriot Park!

The Patriot Baseball Team asks for your support through advertising in our full color Patriot Baseball Media Guide, purchasing a sign at Patriot Park, and/or making a *tax-deductible* donation to our program. **The support of our community is critical for developing our program.**

Many people don't realize that East View High School is comprised of 46% economically disadvantaged students. That's why we need our strong business community's support.

We know that each year you are asked to support a variety of community organizations and your donation dollars are limited. Here are some reasons becoming an EVHS Baseball supporter is a worthwhile donation:

- **Promotion to over 600 social media followers on both Facebook and twitter throughout the 2018 season; additional season long promotion on our website. We can highlight your social media or webpage too!**
- **25 games and 2 tournaments in which both home and visitor fans will hear and see your support of EVHS baseball and student athletes, not to mention the additional promotion to families and fans that attend additional tournaments hosted at EVHS's first class Patriot Park.**
- **Sponsor recognition--both visual and announcements--at all EVHS baseball fundraisers!**
- **Promotion at themed fan nights throughout the season welcoming EVHS students, families and many, many community members. Bring your employees along for a great community night event!**

Donations of any value are welcome but our packages, highlighted on the back of this letter, allow you to maximize your donation dollars with outstanding sponsor recognition!

Every dollar donated is invested into our program and our youth. Our goal is to build character in our players through community service, and build a tradition of Patriot Pride through a successful baseball program. We are grateful for your consideration, financial contribution and for your support of the youth at EVHS and the great sport of baseball!
