Joe Dan Lee, Superintendent of Schools

Joe Dan Lee was named Superintendent/CEO of the Georgetown Independent School District in November 2010 after serving as Interim Superintendent from July 2010. Mr. Lee has been in public education for more than 30 years with 24 of those serving districts as a Superintendent. He was named the Region 8 Superintendent of the Year in 1988, and was a finalist for the 2002 Region 7 Superintendent of the Year.

Mr. Lee received both his Bachelor and Master degrees from Texas A&M University – Commerce. Additionally, he holds Educational Administration certificates in Mid-Management and Superintendent Certification.

A familiar face within the community, Mr. Lee was the Georgetown ISD Superintendent from 2004 to 2007. Known for his positive nature and collaborative leadership style, he has managed the district through two successful bond elections. In his current tenure, Mr. Lee is leading the District through an expansive construction phase (which includes the opening and operation of a second high school) and challenges with State revenues and school financing.

Dr. Dave Denny, Principal

He received both his Doctorate and Bachelor of Science from Texas A&M University and his Masters of Science from East Texas State. For the first 15 years of his career he coached and taught science. He served stints as a defensive coordinator, offensive coordinator, and head football coach and athletic director during his coaching career. He hung up his whistle and has served as an administrator for the past 16 years. This is his fourth year with Georgetown ISD.

Phil Blue, GISD Athletic Director

2011 will begin Phil Blue's 7th year as the athletic director for GISD. With 15 years of Athletic Administration experience and 20 years experience as a head football coach. He has 25 years experience in education and graduated from the University of Texas at Arlington. While in college he lettered 3 years as QB at UTA.

Welcome to the home of East View Patriot baseball. As we begin the inaugural season of East View baseball, I hope that you will enjoy the beautiful new athletic complex and cheer the Patriots on to many victories. Thank you for supporting our student-athletes and coaches with your attendance.

GO PATS!

Phil Blue
Athletic Director

Dear Patriot Fans,

As we begin our first year at Georgetown East View High School I would like to take this opportunity to thank everyone that has worked to get our school up and running. Countless hours of planning and preparation have gone into getting ready for this first school year and now it is here!

I know I speak for the students, faculty, and administration when I say we are excited to be a part of building the tradition that is Georgetown East View High School. We hope you, the fan, will partner with us as we lay the foundation for generations to come. It starts with you attending our events, wearing red, and cheering our students on to success. Thank you for your support and Go Big Red!

Sincerely,

Coach Davies

***In our Inaugural year Patriot Baseball is proud to introduce the
East View High School's 2012 Coaching Staff:
Establishing new traditions and expectations of excellence!***

The Beginning

Coach Matt Pullen Head Baseball Coach

Coach Pullen is in his first season as Head Coach of East View High School Patriot Baseball. He was the Head Coach at 5A Temple High School in 2010. Prior to Temple, Coach Pullen was an Assistant for Danny Wallace at Georgetown High School for seven years, playing a pivotal role in the success of that team.

Coach Pullen is a graduate of Taylor High School. He earned All-District honors as a Junior and Senior. He graduated from The University of Mary-Hardin Baylor, with a Bachelor of Science degree in Exercise and Sports Science. He was an All Conference Short Stop three times. In 2000, he was selected as the UMHB Male Senior Athlete of The Year.

Players have learned his pet peeves are long sleeves to prevent injuries, until he says so, and only practice balls in the batting cages. Clean balls are for the field.

Coach Pullen with his family. His wife Tiffany is a title one, Reading Interventionist and teacher at Mitchell Elementary. Their children are Hannah 8, Ryan 6, and Mason 5.

Coach Matt Taylor Assistant Baseball Coach

Assistant Matt Taylor played baseball for Round Rock High School. He was a member of the 1997 5A state championship team. Matt played 2 years of collegiate baseball for McLennan Community College. After completing his eligibility at the Jr. College level, Coach Taylor Transferred to the University of The Incarnate Word where he played 2 seasons.

He received his Bachelor of Art degree in History and an MAT in teaching from The University of the Incarnate Word. Matt has coached and taught in Georgetown for 3 years.

Behavior Expectations:

STUDENT GROUPS AND SPECTATORS

Behavior Expectations of Student Groups

- Always provide positive support for your team. Never ridicule or degrade the opposing team or players.
- Conduct yourself in an exemplary manner. Remember that you represent your school both at home and away.
- Assist cheerleaders with yells, chants, etc. Always be a working part of pep assemblies with preparation, organization and involvement.
- Treat opposing players, coaches, spectators and support groups with respect and enthusiasm. Applaud good performances on both teams. Doing this will show that you understand and can recognize athletic achievement, regardless of team affiliation.
- Always display proper sportsmanship toward officials and value their contributions to the game. Respect the judgments made during a contest. All calls are impartial and should be accepted by all parties.
- Use only positive cheers, signs and chants during a contest. This will show that you understand proper sportsmanship while giving your organization and school a good reputation.

Behavior Expectations of Spectators

- Always support your team and the efforts of all participants involved.
- Do not intimidate or ridicule a player, coach or official before, during or after a contest.
- Always praise athletes for their actions during a game; never degrade a participant for their efforts. Athletics are a learning experience for students, and mistakes will be made.
- Remember that a ticket is a privilege to observe the contest, not a license to verbally assault others or be generally obnoxious.
- Learn the rules of the game so that you may understand and appreciate why certain situations take place.
- Always respect the integrity and judgment of officials. They are present to regulate the flow and enforce the rules of the game.
- Show respect for the opposing players, coaches, spectators and support groups. Treat them as guests to your school.
- Use only cheers that support and uplift the teams involved.
- Recognize and show appreciation for an outstanding play by either team.
- Refrain from the use of any controlled substance (alcohol, drugs, etc.) before, during and after the game on or near the site of the event.
- Be a positive role model at events through your own actions and by censuring those around you whose behavior is unbecoming.
