ADMINISTRATION

Joe Dan Lee, Superintendent of Schools

Joe Dan Lee was named Superintendent/CEO of the Georgetown Independent School District in November 2010 after serving as Interim Superintendent from July 2010. Mr. Lee has been in public education for more than 30 years with 24 of those serving districts as a Superintendent. He was named the Region 8 Superintendent of the Year in 1988, and was a finalist for the 2002 Region 7 Superintendent of the Year.

Mr. Lee received both his Bachelor and Master degrees from Texas A&M University – Commerce. Additionally, he holds Educational Administration certificates in Mid-Management and Superintendent Certification. A familiar face within the community, Mr. Lee was the Georgetown ISD Superintendent from 2004 to 2007. Known for his positive nature and collaborative leadership style, he has managed the district through two successful bond elections. In his current tenure, Mr. Lee is leading the District through an expansive construction phase (which includes the opening and operation of a second high school) and challenges with State revenues and school financing.

Dr. Dave Denny, East View Principal

Dr. Dave Denny, principal of East View High School, has been a Texas educator for 31 years. He received both his Doctorate and his Bachelor Of Science from Texas A&M University and his Masters Of Science from East Texas State. For the first 15 years of his career he coached and taught Science. He served stints as a defensive coordinator, offensive coordinator and head football coach and athletic director during his coaching career. He hung up his whistle and has served as an administrator for the past 16 years. 2012-13 is his fifth year with Georgetown ISD.

Phil Blue, GISD Athletic Director

2012-13 will mark Phil Blue's 8th year as athletic director for GISD. With 15 years of Athletic Administration experience and 20 years experience as a head football coach. He has 25 years experience in education and graduated from the University Of Texas at Arlington. While in college he lettered 3 years as QB at UTA

On behalf of the Georgetown Independent School District and East View High School, I would like to welcome you to Patriot Park for the 2013 baseball season. 2013 marks the Patriots inaugural season of varsity play and Coach Pullen's boys plan on making some considerable noise as they navigate their way through the 17AAAA schedule. To our out of town visitors, we hope you enjoy yourself at the game and have a safe trip home.

Sincerely,

Phil Blue

Dear Patriot Fans,

"As you all know, we have a smaller enrollment than anyone we play. We have no senior class. This is our first year of varsity play. And the list goes on and on.

These are nothing but opportunities to be Uncommon. One of my heroes, Tony Dungy, states, "Success is uncommon and not to be enjoyed by the common man."

As we have prepared for this first varsity season, it has become clear to me we have a collection of Uncommon young men ready to break through any obstacle as we work to become the best we can be. Best of luck to Patriot Baseball this spring!

We are all behind you and look forward to an exciting season."

Coach Rob Davies

THE COACHES

Coach Matt Pullen

Head Baseball Coach

Coach Pullen is in his second season as Head Coach of East View High School Patriot Baseball. He was the Head Coach at 5A Temple High School in 2010. Coach Pullen is a graduate of Taylor High School. He earned All-District honors as a Junior and Senior. He graduated from The University of Mary-Hardin Baylor, with a Bachelor of Science degree in Exercise and Sports Science. He was an All Conference Short Stop three times. In 2000, he was selected as the UMHB Male Senior Athlete of The Year.

Players have learned his pet peeves are long sleeves to prevent injuries, until he says so, and only practice balls in the batting cages. Clean balls are for the field.
