Fred Brent, Ed.D., GISD Superintendent of Schools

Dr. Fred Brent became the Superintendent of Georgetown ISD in July 2014 following an exhaustive national search conducted by the Board of Trustees. He brings to the district an extensive background in educational leadership having served as a teacher, campus administrator, and district leader during his career.

Dr. Brent is very familiar with the opportunities and challenges facing Georgetown ISD having served as Superintendent of Alvin ISD and as Superintendent of Anderson-Shiro CISD. He has seen first hand what it takes to lead a district through rapid student growth, multiple school construction projects, and the implementation of a rigorous curriculum designed to produce world class learners.

Dr. Brent received his undergraduate degree from Oklahoma City University and his graduate degree from Lamar University. In 2007, he earned his doctorate in Educational Leadership from Texas A&M University. During his career, Dr. Brent has been a geography teacher, physical education teacher, world geography teacher, assistant principal, and principal. Other districts where he has worked include Putnam City, Little Cypress-Mauriceville, Orangefield, and Navasoto.

Dr. Brent is married to Terri, and they have three children: Austin, Alex, and Abby who all attend Georgetown ISD schools.

LaToya Easter, East View High School Principal

Before becoming Principal at EVHS, LaToya Easter served as principal at Four Points Middle School in Leander for the past year, where she was responsible for managing all aspects of the campus, including creating a positive learning environment for staff and students and monitoring and evaluating the advancement of student achievement, GISD Superintendent Fred Brent said.

As EVHS principal, Easter will collaboratively manage all campus operations and lead campus instructional programs to ensure high standards of instruction and student achievement while leading students in the growth of the Learner Profile.
