

East View HS Baseball Booster Club 2022-2023 Sponsorship Opportunities

Dear Future Teammates,

We would like to welcome the participation by all individuals and businesses within the Georgetown and surrounding communities to the East View HS Baseball Boosters club via donation opportunities.

The East View HS baseball booster club is committed to fostering a positive relationship between Georgetown & surrounding communities and our players, coaches, and families. In addition, we are highly committed to the development of our players, who learn not only the importance of good sportsmanship, honesty, courage, and respect for authority but do so while having an experience that will prepare them for college and the rest of their lives.

It is only with the help of our fundraising and sponsorship partners that the East View Baseball Booster club has been able to complete past improvements and we plan to address future needs in-and-around the diamond. To ensure that we can continue to meet those needs as well as provide funds for the purchase of new uniforms, equipment, safety gear, field improvements and maintenance, the booster club holds several fundraising events throughout the school year. These events are planned and executed with the goals of both raising money and connecting with the community. Below are this year's fundraising events:

- Meet the Patriots
- Fund-team.com

We appreciate your consideration in becoming a partner, supporter, and teammate of our program. We have several sponsorship levels available and will customize any level to meet your needs. The benefits to your organization will be tremendous as you become an integral part of the East View HS Baseball Booster Team.

As a reminder, the East View HS Baseball Booster Club is an all-volunteer 501(c)(3) non-profit organization, and as such, your donation is tax deductible as allowed by law.

Please feel free to contact George Romo, our sponsorship chair, or any of our board members for more information. We look forward to sharing this season with you!

Sincerely,

George Romo
